

Guide to the Integrated Experience Curriculum for Children Aged 1-4 Years

Guide to Planning Topics

Steps

- The Facilitator selects one of the main topics.
- Then, they identify the related subtopics, if applicable.
- After determining the topics, the Facilitator defines the key concepts, skills, habits, and interests associated with the topic.
- The Facilitator selects and prepares learning activities that align with the educational objectives of the selected topic.
- Finally, the Facilitator prepares the necessary teaching aids and materials for each topic.
